

Our offer, your future.

Delta Engineering is the European market leader in factory automation for the blow moulding industry. Started as a two-man business in 1992, today the company is working with more than 50 qualified and dedicated employees.

Together we develop a wide range of innovative and efficient quality machines in close cooperation with our customers. In this way we guarantee a stable position on the market and a promising future for our company and our employees. To guarantee our further development, we are looking for a (m/f).

Technician

Your devotion

- You are responsible for electrical and mechanical assembly and start-up of machines in the workplace.
- After a thorough training on our machines you will take care of the installation and commissioning of the machines at our customers.
- You support the after sales and service department for interventions and repairs.
- You are prepared to carry out interventions mainly in Europe.

Your talents

- You preferably have 3 years of experience as a technician, preferably in mechanical engineering.
- You have a Bachelor's degree or equivalent through experience and a good knowledge of electrical installation.
- You are a positive colleague who can work independently, but also functions well in a team.
- Knowledge of pneumatics and hydraulics is a plus.
- Interest in control technology and software.
- You are resistant to stress and you can handle flexibility.
- You have good communication skills and you have good practical language skills (English, French).

Our offer

- We offer you job security and a varied job within a young, growing company and an enthusiastic team. You work for a financially healthy company with a leading name and a clear vision of the future.
- You can count on continuing education.
- Your salary is in proportion to your profile and experience.
- We offer you a group insurance, hospitalization insurance and meal tickets.

Your future?

Then we would like to receive your application together with your CV! You can send your application by email to hr@delta-at.be or by postal service to the attention of Mr. Glenn Van Nuffel.
